SUBJECT: Purchase Agreement Authorization  
 Owners: Michelle A. and Darryl A. Blanford  
 Parcel No. 108  
 Lake Drive Road Improvement Project

This memorandum requests authorization by the Board of County Commissioners (BCC) and execution by the Chairman of a purchase agreement for Parcel No. 108. The parcel is required for the Lake Drive road improvement project. The purchase price is \$70,000.00, inclusive of attorney fees and costs incurred by the property owners.

**I THE PROPERTY**

**A. Location Data**

The property is located on the south side of Lake Drive, approximately four tenths of a mile west of Tuskawilla Road, within unincorporated Seminole County, Florida.

1. Location Map (Exhibit A);
2. Sketch (Exhibit B); and
3. Purchase Agreement (Exhibit C)

**B. Address**

4701 E. Lake Drive  
 Winter Springs, Florida 32707

### **C. Description**

The parent tract contains 164,308± square feet of land area and is improved with a single family residence and barn.

## **II AUTHORITY TO ACQUIRE**

The BCC adopted Resolution No. 2002-R-70 on April 23, 2002, authorizing the acquisition of the referenced property, and finding that the construction of the Lake Drive road improvement project is necessary and serves a county and public purpose and is in the best interests of the citizens of Seminole County.

## **III ACQUISITION/REMAINDER**

The proposed acquisition is 11,184 square feet of land area, is irregular in shape, and is located along the subject's northern boundary. The remainder is 153,124 square feet.

## **IV APPRAISED VALUE**

The County's appraised value amount is \$34,625.00. The County's appraisal was prepared by Clayton, Roper & Marshall, P.A., and was approved by the County's MAI designated staff appraiser.

## **V BINDING OFFER/NEGOTIATIONS**

On June 8, 2004, the BCC authorized a binding written offer in the amount of \$50,000.00. The owners, through their attorney "Stumpy" Harris, countered at \$80,000.00. Thereafter, County staff negotiated this proposed settlement agreement with the owners and their attorney in the amount of \$70,000.00 inclusive of attorney's fees and costs.

## **VI SETTLEMENT ANALYSIS/COST AVOIDANCE**

The main justification for this proposed settlement is the avoidance of future litigation costs. The owners have not yet engaged their experts to perform a full evaluation of the acquisition's impact on the remainder of the property. The difference between the \$50,000.00 and the proposed settlement of \$70,000.00 is \$20,000.00. If the County does not accept the counteroffer, the owners' attorney will have reports prepared by an appraiser to evaluate the impact of the acquisition of the remainder property. Typical appraisal fees approved by the Courts in similar cases have approached \$10,000.00 even based on a relatively early case settlement. If the owner decides to force the County to acquire the property through an Order of Taking hearing, the expert fees will increase. The County will also have to pay the costs of litigation-filing fees, publication, service of process, etc. Even if the County decides to proceed to a jury trial and prevails,

the costs expended by the County to reach that point would far exceed the \$20,000.00 demanded by the property owners. In a case like this, it makes sense to settle early and incur relatively minor fees and costs.

## **VII RECOMMENDATION**

County staff recommends that the BCC authorize settlement in the amount of \$70,000.00, inclusive of attorney's fees and costs incurred.

(b) OWNER agrees to vacate and surrender possession of the property upon the date of delivery of the instruments and closing of this Agreement. COUNTY may, but is not obligated to, extend possession of the property by OWNER; provided, however, that such approval will be evidenced by a written document of equal dignity herewith.
